## WELLNESS & SPA OFFER

## SPA MASSAGE SESSIONS

**Back and spine cupping massage (30 min)** PLN 50

**Full body relaxation massage (60 min)** PLN 80

This offer is designed especially for tired and busy people who experience stress and tension. Massage is performed using essential oils. The aim of the massage is to provide total relaxation for the body and mind.

**Full body energizing cupping massage (80 min)** PLN 100

This massage stimulates blood circulation and is recommended for the relief of muscle tension and colds. It has an invigorating and warming effect. It helps eliminate toxins and leaves the body firmer. It offers a very intense experience.

**Ritual candle massage (60 min)** PLN 120

This unique ritual consists of full body massage using a candle that melts into warm massage oil composed of 100% natural waxes and a fragrant blend of essential oils obtained from exotic fruits with a touch of Oriental scents.

**Hot stone massage (90 min)** PLN 150

This massage uses therapeutic heat of carefully selected basalt stones of volcanic origin to stimulate the whole body and restore balance to the body and mind.

**Facial massage (15 min)** PLN 35

This is the most enjoyable and effective form of anti-wrinkle therapy. It improves circulation, making facial muscles more elastic. It provides relaxation and minimizes swelling.

**It is performed on your request as an addition to the massage you choose.**

**NEW! Beer Bath (30 min)** PLN 60

A beer bath is more than just a unique form of relaxation. It is also beneficial for your skin: it improves its condition, tone, and blood supply. It leaves your skin soft, smooth and delicate. In addition, a beer bath stimulates the circulatory and nervous systems.
